II. School Safety and Climate for Learning

School Safety Plan

Date of Last Review/Update	November 2013	Date Last Discussed with Staff	November 2013
<i>Keith Thompson School conducts monthly safety meetings, as well as biweekly fire and disaster drills. Annual Fire Inspections of the Classroom and related school facilities are conducted by the Hollister Fire Department.</i>			

School Programs and Practices that Promote a Positive Learning Environment

Each Student has an Individualized Education Plan, with additional resources when needed, such as one-to-one instruction, Speech & Language, testing accommodations, and positive behavioral plans. Based on a student's needs as stipulated in their Individual Education Plans (IEPs) the school contracts with service providers as necessary that may include a Speech Therapist, Occupational Therapists, & Hard of Hearing Specialist, and Adaptive Physical Education Instructor. Not all services are required but the subcontracted professionals are readily available when the child's need is identified and stipulated on their IEP.

The Keith Thompson Non-Public School schedules and facilitates a variety of field trips designed to enrich the education of its students.

Suspensions and Expulsions

Keith Thompson Non-Public School does not suspend nor expel students although the school's administration is well informed as to the education codes surrounding the potential need for disciplinary removals.

School Facilities

Safety, cleanliness, and adequacy of school facilities, including any needed maintenance to ensure good repair. Description of the condition and cleanliness of the school grounds, buildings, and restrooms.

The Keith Thompson Non-Public School has routine maintenance. Any safety concerns are addressed during monthly safety meetings and corrected accordingly. The teacher encourages the students to help maintain the classroom in a clean and organized environment. Staff conducts a more thorough cleaning weekly. Chamberlain's Children Center, Inc. employs a maintenance person to ensure that the buildings and grounds remain in good condition.

III. Academic Data

The majority of students attending the Keith Thompson Non-Public School are court dependent foster youth and referred by their respective county's social services departments. Students are also referred by the local and surrounding school districts when the need for Keith Thompson Non-Public School specialized services are deemed necessary by that child's IEP team. Star Tests are ordered and provided to Keith Thompson NPS students by the Hollister School District on an annual basis. Star Tests were administered in May of 2011 to each child attending the Keith Thompson NPS at that time.

Standardized Testing and Reporting (STAR)

Through the California Standardized Testing and Reporting (STAR) program, students in grades 2-11 are tested annually in various subject areas. Currently, the STAR program includes California Standards Tests (CST) and a norm-referenced test (NRT). The CST tests English-language arts and mathematics in grades 2-11, science in grades 5, 9, 10, and 11, and history-social science in grades 8, 10, and 11. The NRT tests reading, language, and mathematics in grades 2-11, spelling in grades 2-8, and science in grades 9-11.

California Standards Tests (CST)

The California Standards Tests (CST) show how well students are doing in relation to the state content standards. Student scores are reported as performance levels. The five performance levels are Advanced (exceeds state standards), Proficient (meets state standards), Basic (approaching state standards), Below Basic (below state standards), and Far Below Basic (well below state standards). Students scoring at the Proficient or Advanced level meet state standards in that content area. Students with significant cognitive disabilities who are unable to take the CST are tested using the California Alternate Performance Assessment (CAPA). Detailed information regarding CST and CAPA results for each grade and proficiency level can be found at the California Department of Education Web site at <http://star.cde.ca.gov/> or by speaking with the school principal. *Note: To protect student privacy, scores are not shown when the number of students tested is 10 or less.*

CST - All Students

Data reported are the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

CST - Racial/Ethnic Groups

Data reported are the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

CST – Subgroups

Data reported are the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

Norm Referenced Test (NRT)

Reading and mathematics results from the California Achievement Test, Sixth Edition (CAT-6), the current NRT adopted by the State Board of Education, are reported for each grade level as the percent of tested students scoring at or above the 50th percentile (the national average). School results are compared to results at the district and state levels. The CAT-6 was adopted in 2003; therefore, no data are reported for 2002. Detailed information regarding results for each grade level can be found at the California Department of Education Web site at <http://star.cde.ca.gov/> or by speaking with the school principal. *Note: To protect student privacy, scores are not shown when the number of students tested is 10 or less.*

NRT- All Students

Data reported are the percent of students scoring at or above the 50th percentile.

NRT- Racial/Ethnic Groups

Data reported are the percent of students scoring at or above the 50th percentile.

NRT- Subgroups

Data reported are the percent of students scoring at or above the 50th percentile.

Local Assessment

Data reported are the percent of students meeting or exceeding the district standard.

California Physical Fitness Test

Data reported are the percent of students meeting fitness standards (scoring in the healthy fitness zone on all six fitness standards). Detailed information regarding the California Physical Fitness Test may be found at the California Department of Education Web site at <http://www.cde.ca.gov/ta/tq/pf/>. *Note: To protect student privacy, scores are not shown when the number of students tested is 10 or less.*

Academic Performance Index (API)

The **Academic Performance Index (API)** is a score on a scale of 200 to 1000 that annually measures the academic performance and progress of individual schools in California. On an interim basis, the state has set 800 as the API score that schools should strive to meet.

Growth Targets: The annual growth target for a school is 5 percent of the distance between its Base API and 800. The growth target for a school at or above 800 is to remain at or above 800. Actual growth is the number of API points a school gained between its base and growth years. Schools that reach their annual targets are eligible for awards. Schools
