Chamberlain's Children Center Schedules Work Day

Chamberlain's Children Center is inviting the Community to stop by on Saturday, November 14th from 9am to 2pm and will be on the Chamberlain's campus at 1850 San Benito Street Hollister. Our quarterly Work Day will focus on park and playground clean up, weed pulling and pantry shelf building.

"We are continuously looking for opportunities to involve the community and invite them on-site, so a work day in an excellent opportunity to achieve both!" said Robert Freiri, Executive Director.

"Also we are getting the Park ready for our Park Dedication on at 11am on Thursday, November 19th when we rename the park "Mari Davis Memorial Park".
